The Belvedere
2 Bedroom / 2 1/2 Bath
1,416 sq. ft.

Angled walls and rounded corners gently sculpt the space of The Belvedere. The open foyer accesses the powder room and a utility room with the possibility of extra storage in addition to accommodating a full size washer and dryer. Hang your coat in the nearby closet then immediately enter the spacious, angular kitchen, well-equipped with counter space and connected to the dining room. Walls flair out to reveal your living room, centered on a large private balcony, ideal for cozy evenings or special occasion gatherings. The owner's suite is grounded by a spacious sleeping area and connected by a hallway to a sumptuous bath with dual sinks, a soaking tub and separate shower. The large walk-in closet offers room enough not only for a wardrobe but additional storage, as well. The second bedroom is also a suite with a private full bath and a spacious walk in closet.
