Ample room for both your possessions and your passions elevates the uniquely designed Cosmopolitan to higher ground. The dramatic foyer, with a convenient powder room, coat closet and utility room, is accented by a rotunda ceiling and gallery that opens to a spacious living and dining room defined by luminescent windows bordering on two walls. This setting provides an excellent venue for entertaining or relaxing. Spacious granite counters and island sink in the kitchen creates the perfect staging area for meal preparation or grabbing a quick bite at the snack bar. And when you're looking for a secluded spot to relax and rejuvenate, the luxurious owner's suite offers a generous bath with a soaking tub, separate shower and linen closet, and an oversized walk-in closet with abundant space for your daily needs and seasonal storage. A second bedroom suite also features an ample walk-in closet and a second full bath.
