

# JACKSON PLACE CONDOMINIUMS

The view will be your inspiration, perhaps your art. From foyer to living room, three spectacular windows flood your private world with the natural light of day as well as the sparkling shimmer of night. Your kitchen shares the view, overlooking its granite snack bar, the dining room and beyond to your private balcony, running nearly 20 feet long. An alcove leads to the owner's suite with a large walk-in closet and the luxury of a soaking tub, separate shower and dual sinks in the bath. An inspired entry leads to the second bedroom suite, thoughtfully configured with a spacious walk-in closet and close proximity to a second full bath. Amid the luxury is a space saving utility room to accommodate a full size washer and dryer
